January 2015

Greetings,

First of all, let me say thank you for your donation and support of God's work in Tanzania. What He has done and continues to do is really amazing. Without you and other faithful servants, many souls would be eternally lost, not having an opportunity to hear the saving message of the gospel.

In the past few weeks we have asked our student body and about 25% of the 140 graduates from the Andrew Connally School of Preaching several questions. The answers really highlight the good God is doing through you and other friends and supporters by His power. First, we asked, "How many souls have been saved this year?" The answer, a total of 634! The second question we asked was, "How many new congregations did you and your congregation plant?" The answer, 91! God is so good, and we thank you so much for making all this possible through your prayers and support.

January is proving to be a very busy time for us. Four of our families went to Dar es Salaam last week to help John Rice direct a Youth Camp. The Lord added 11 new souls to His Church through this effort. This week we are hosting the Tanzania Christian Camp. We pray God will bless the efforts as He has in the past.

If the Lord wills, my plan is to come to the States the first week of February to report on the work, raise funds, and simply promote this amazing work of God. If you, your congregation, or your eldership is interested in a visit to learn more about what God is doing in East Africa, please let me know so that we can book an appointment.

We close with a very joyful heart of gratitude for you and all who make this mission effort what it is. We realize there is much to do, and we hope and pray you continue to join us to do even more to God's glory and to the saving of many more souls.

We wish you a very Happy New Year in your service to the King of Kings, Lord of Lords and Master of our lives.

In Him,

C.W (Cy) Stafford
