

Tanzania Missions 2014 Opportunities & Needs

First of all, thank you for your interest in doing God's will and being a part of His work in Tanzania. The list below is a list of opportunities; opportunities to glorify our God in the saving of lost souls.

1. **A Gospel Chariot - \$24,000:** The school is in great need of a used passenger van to take our staff and student body to each of the 8 congregations in Arusha. Each Saturday we send them out for practical experience in personal evangelism which, in turn, reinforces their academic training. Additionally, each student is assigned to a local congregation to assist in the various aspects of Sunday's activities; whether they teach bible class or lead singing, they are involved every weekend.
2. **2,500 Bibles - \$15,000:** Knowing the eternal return on a lifelong investment in God's cause, we strive to provide thousands with copies of God's word.
3. **Andrew Connally School of Preaching, Student Support - \$2,400/\$4,800:** We will have a new intake of students in Feb. 2015. It cost \$200 per month, per student, to operate the ACSOP. This includes: student support, staff salaries, food, utilities, etc. So, for \$2,400 a year or \$4,800 for the entire two year program, you can sponsor a student in his study of God's Word.
4. **Printing - \$12,000:** The power of the printed page in developing countries is mind-numbing. For each piece of literature we print we can be sure it will be read by a *minimum* of five people. Each year we print and distribute tens of thousands of bible tracts, bible correspondence courses, our Tanzania East Africa Messenger (TEAM) magazine, and much more.
5. **Stafford Travel Expenses - \$7,500:** We thank God and we thank our many friends and supporters who make it possible for us to work in Tanzania. As Team Leader of this effort, I am grateful to be able to present the work to others and to raise the needed support required to keep the gospel flowing throughout East Africa. My wife Stephanie, her mother and I return each year to keep the work before our friends and supporters. If you would like, I would love to come and share what God is doing in East Africa. I look forward to putting your name on my calendar!
6. **Translation Team/ACSOP teaching Staff - \$800 monthly:** From our beginning in 1998, we have striven to build a leadership team that would be godly, qualified, dedicated and trained to take over at the end of our 20 year commitment. As we approach 2018 we need to support these men in their multi-faceted roles as translators, instructors, evangelists, husbands and fathers. Please help us, help them, help themselves.
7. **MOST IMPORTANT - PRAYERS:** God is doing an amazing work in Tanzania. With our dedicated mission team, coupled with faithful, generous, praying and loving supporters like you, this work will continue to reach the lost of East Africa for generations.

Thank you for your prayerful consideration of the above mentioned needs. We trust our God is able to complete what He has begun in Tanzania. Till all have heard...

In Him,

Cy Stafford
