Dear Brethren:

We are beginning summer school for this summer now. It is truly hard to believe that we are six months into a two year journey, time flies by so quickly. On June twenty-fifth I was officially diagnosed with Crohn's Disease. This is a difficult time for Meagan and I as we begin the process of treatment. There is no cure as we mentioned in our last letter and our medical bills are expected to go up. We are hopeful that if there is anything that you may be able to do that you could let us know. We also have PTP coming up in August and it is also a trip that needs more spending money than usual, the students are needing to cover gas and food for this trip and it would be great if we could receive funding if possible for that. I have been privileged to attend PTP for the last 4 years and it is a VERY uplifting week. After PTP my Second Year at M.S.O.P. begins and we go right back into the hustle and bustle of school life. We are so thankful for all that you do and will continue to do for us!

In Christian Love,

Michael & Meagan Clarke
